

RISE IN RIVER

STAGE EXPECTED ANY TIME THAT
MAY FLOAT WHISPER AT
RUFFIN, ARK.

The Memphis-Osceola packet boat Whisper, which stranded on an elevation in Old river at Ruffin, Ark., last night, according to C. Henochsberg, of the American Savings Bank and Trust company, local agent for the steamer.

The bargains supporting the boat parted when she went aground, owing to the strain from bow and stern, but these have been replaced and carpenters are at work on the structure at present. A broken rudder will necessitate having another boat to tow the Whisper to Memphis.

She probably will be docked, Henochsberg, states, to ascertain the amount of damage. It is not believed the vessel suffered much damage, however. She grounded in 18 feet of water on the Memphis cause, and with the gauge Thursday reading 17.7 feet, the necessary amount of water may arrive within a few hours.

Sailor Added To
Employment Corps;
30th Will Be Met

Elisla Carter, teacher by profession, alert and amiable as a result of several months' service in the navy, was engaged Thursday by the Chamber of Commerce committee on soldier employment to handle the soldiers and sailors' division of the United States employment service, 103 South Court avenue.

Carter is a native of Noxapater, Miss., where he was principal of the high school. He came immediately to Memphis after being discharged from the navy, and was employed almost immediately to assist in the task of the division. Carter at once took charge of the special division created for soldier and sailor employment. The Chamber of Commerce committee co-operating with the Memphis Employers' association and will seek to keep Mr. Carter supplied with opportunities for returned fighters.

Dr. J. T. Ware, federal director of employment in Tennessee, has received a telegram from the superintendent of demobilization, department of labor, instructing him to send a representative to Camp Greenleaf, near Chattanooga, Tenn., to prepare for the return of the 30th division. One of the ex-soldiers in the Chattanooga office of the United States employment service has been detailed to look after the needs of the overseas boys.

Tennessee employers are being urged by Dr. Ware to begin immediately to prepare for the return of the Tennessee troops. It is his desire that thousands of opportunities for soldiers should be listed by the time the overseas veterans are demobilized.

Y. M. C. A. PLANS DRIVE
TO ADD 1,000 MEMBERS

One thousand new members for the local Y. M. C. A. will be sought during February, it was stated by Dr. E. E. George, general secretary of the association Thursday morning. There are approximately 1,500 active members of the organization at present.

The group leaders of the Y. M. C. A. activities will meet Thursday evening to plan for the campaign, which will be quietly but thoroughly conducted in an effort to increase the effectiveness and scope of service of the association during the year.

Many returned soldiers, sailors and marines have availed themselves of the offer of the association, of a three months' free membership. The membership includes all privileges. Any member who, during the world war, served in the army, navy, marine corps or the aviation section, is eligible for membership without charge.

It is planned to form a Y. M. C. A. debating and oratorical society within the next two weeks, so that young men who are members of the association may be taught the essentials of public speaking and may be trained to think while on their feet.

Dr. George states that the interest of the work of the Y. M. C. A. has shown a wonderful increase this month. The gymnasium classes have become so large that it will probably be necessary to form new classes that give individual training, may be given each member. The attendance in the boys' department this month has broken all records.

DIES ALONE.

John Host, 55, St. Louis, was found dead in the Flaher rooming house, 82 Market avenue, Thursday morning at 10 o'clock. Detectives say death resulted from heart trouble.

Host had only been in Memphis a few days, as shown by a baggage check found on his person. He was dressed and lying in the bed when he was found. He was entered by Detectives Carpenter and Bell.
